Objective

To be a Character Animator working in an innovative and creative environment.

Summary of Qualifications

- Dedicated lead animator with over seven years of industry experience bringing in house and client concepts to life. Passionate employee continuously seeking constructive critiques and contributing feedback to others. Award winning "Best of the Best" polished work has been presented on the 11SecondClub.com public website.
- Creative and resourceful problem solver. Hardworking to fulfill requirements while giving additional feedback to convey desired outcome. Communicate ideas clearly. Administer time and resources to meet project goals and target deadlines.
- Passionate and enthusiastic for learning and adapting promptly to new tools and skills.

Education

The Art Institute of Colorado, March 2004

Bachelor of Arts in Media Arts and Animation
(Honors Graduate and Par-Excellence 2004 Demo Reel)

Pikes Peak Community College, August 1999

Certificate of Commercial Arts in Visual Arts and Communication

Work Experience

Skills acquired in seven years of experience as a Lead Animator for National Cinemedia include:

PROBLEM SOLVING

- Worked closely with supervisors to clearly understand client's requirements and desires. Planned and delivered solutions, engaged in frequent feedback to ensure requirements are met.
- Provided alternative ideas and presented them to supervisors and directors.

COMMUNICATION

- Communicated animation ideas by means of personally acting out the emotions and thought processes of each unique character while staging out the scene and setting up different points of view.
- Worked closely with art directors and storyboard artists toward communicating obligations and devising solutions.

TIME MANAGEMENT

- Proficient at managing multiple projects.
- Prioritized numerous tasks to meet cut-off dates.

Technical Skills

Maya, 3d Max, After Effects, Photoshop, Windows, Mac

US Permanent Resident
